Education

Motilal Nehru National Institute of Technology, Allahabad

2018 - 2022

B.Tech in Electrical Engineering

9.06/10 CPI

Projects

Jeevansathi Monetization Initiatives

- Develop **responsive web pages** for the Membership and Payments section of Jeevansathi from scratch, resulting in an enhanced user experience and a **2% increase** in daily payments.
- Implemented key business features including new membership plans, 7-day free trial, free upgrades, integration of new payment vendors, and **recurring payments for Indian and NRI users**
- Contributed to **revenue growth from Rs.9 Cr to Rs.11 Cr per month** through impactful feature implementations and product enhancements

Customer Relationship Manager New Sections

- Developed CRM pages with **Node.js, EJS, and Express.js**, improving operational efficiency and streamline workflows for the Sales team

Profile Verification, Phone Verification, Registration

- Developed the **Profile and Phone Verification** module using **Next.js, React.js, and Tailwind CSS**; currently maintaining the user **registration workflow** built with **jQuery and Vanilla JavaScript**
- Implemented the **Report Abuse feature** and integrated Profile Verification mechanisms to identify and filter out fake profiles, resulting in the **removal of approximately 10% of fraudulent accounts** monthly

Personalized Wedding Invite (Hackathon Project)

- Leveraged Generative AI to design and generate personalized wedding invitations tailored to individual user preferences
- Utilized voice cloning, text-to-speech synthesis, and AI-driven video generation to create fully personalized wedding invitation videos

Technical Skills

Languages: C++, JavaScript, Typescript

Frontend Technologies and Frameworks: HTML, CSS, React Js, Next Js, Tailwind CSS, TensorFlow.js

Backend Technologies and Frameworks: NodeJS (Actively learning), ExpressJS (Actively learning)

Other key skills: Tech Designing, Documenting, Debugging, Deployment, Server Maintenance, Git, Agile Methodology

Honours and Awards

- Conferred with **Jeevansathi Rockstar award** for excellent performance in Recurring Payments Project and Membership Funnel Project
- Recognized as part of the winning team for the “**Monetization Initiatives**” project, awarded for outstanding contribution to business impact.
- Awarded **Merit Scholarship** for ranking in the **top 5** of the college batch
